Where To Find Your Child's Code

Family story:

Brenda is a beautiful 11yr little girl that was born with a chronic and life threatening illness. Brenda is absolutely delightful and has an infectious smile. Brenda is a great student, loves to read and loves to play with her friends. Also in the home is her 8 year old brother, Gabriel, who is full of great energy and LOVES sports and outdoor activities. Both Brenda and her brother are quite talented and can speak English, Portuguese and Spanish!! Both are in the loving care of their mom and dad who work very hard to provide their children with a loving and stable home. This hard working couple could certainly use some assistance this year around the holidays.
